Dear Mr. Szerlag,

This letter is in response to your letter dated September 8, 2014 regarding some issues you are experiencing.

Firstly, I'd like to apologize- I agree that you are due peace and quiet in your apartment.

I will address each of neighbor issues and hopefully the residents will understand and act more appropriately. If issues persist, please let me know.

Secondly, I appreciate your comments and suggestions regarding the smoke-free policy. I am in the process of putting together the policy and will take these into consideration. We currently have a good relationship with the Arlington PD, and while I'm not sure a MOU is a plausible step, I'm sure we could work something out if there are consistent 'rule-breakers' to the policy and we must pursue legal action.

Sincerely,

Caileen Foley
